Grand Rapids is a Great Place for Mortgages

GRAND RAPIDS, Mich—With its storied furniture manufacturing heritage, its recent affiliation with craft brewing the world’s finest beers, and access to Lake Michigan’s breath-taking west coast, it’s no wonder why Forbes has named Grand Rapids among the top five cities to raise a family.

FEDCOM Credit Union, the city’s oldest credit union, knows that Grand Rapids is a great place to live and work, too—and with help from advertising and design agency, **Extra Credit Projects (ECP)**, they’re pointing newcomers and GR residents alike in the right direction as they look for their new home in a city filled with life’s best offerings.
